

Horizon Wings is not a 24/7 facility. We operate from 7 a.m. to 7 p.m. We are closed to tours and programs on most Sundays and Mondays. I am asking people to please refrain from calling after 7 p.m. and before 7 a.m. Calls at 11:30 p.m. or 1:30 a.m. disturb my whole household. We will respond to calls as soon as we can. Please remember we have many mouths to feed and care for here, so please be patient while waiting for a return call.

Thank you,

Mary-Beth Kaeser

Founder, Horizon Wings
